RE: Abatement

Dear Mayor Davis,

In regards to the abatement letters that I received from the city referencing Daisy City MHP and Valley MHP, I will be glad to do what is requested of me; however, with all the rain we have had of late, my daily business has been delayed. I am booked up for at least 6 to 8 weeks on previous commitments, and would appreciate it if you could work with me on the matters at hand.

In regards to the grass behind the old Lowe's building, I hope to have it taken care of within the next 2 weeks.

Respectfully,
